

2018 YEARBOOK

USBC Association #82219

Information and
AVERAGES
Compiled from the
2017-2018 Winter Season
for use in the
2018-2019 Season

August, 2018

Dear Member:

Thank you for purchasing this year's average book.

The averages in this book are compiled from the 2017-18 Winter season.

However, as USBC moves forward and continues to implement processes and technologies to discourage average manipulation, less emphasis is placed on the league session (winter/summer), and more emphasis is placed on a bowler's 21-game average for the entire USBC year, regardless of whether the games were bowled in the winter or summer sessions.

To quote a representative of USBC from Arlington, TX, "Averages are averages since anything over 21 games is considered a certified average. They are not segmented by winter/summer."

Gone are the days when we were instructed to submit averages as of a certain cut-off date to be sure that an average is included in the book. Today, we are required to submit final averages as of the end of each league, without regard to the date the league ended. Therefore, should a league end past the date that we need to start preparing the book, the averages of that league will not be included in the book. (There are few leagues that fall in this category; Christmas-type leagues that start in January and end in November come to mind.)

One of the tools that USBC encourages all of us to use is the "Find A Bowler" tool on the bowl.com website. That site lists a bowler's complete average history by year for all leagues he/she bowled in.

Another tool that is available is the USBC bowl.com app for both iOS and Android. That tool also allows the user to look up a bowler's average for the entire year.

USBC already recommends that local associations no longer print these books, and by using the Find A Bowler tool, you are easily able to obtain a bowler's complete average history, rather than just the winter session. Additionally, because we are so close geographically to our neighbors to the north, south, east and northwest, if a bowler has a higher average from bowling in a league in one of our neighboring associations, those averages are not included in this book.

If you have any questions, please feel free to call me at (714) 504-2695 or email me at gcf@fountainbowl.com. I will be happy to answer any questions you may have.

Thank you for being a USBC member and for all that you do for your league and tournament bowlers.

Have a great season!

GARY C. FORMAN
Orange County USBC President
