NOTICE OF 2022 ORANGE COUNTY USBC ANNUAL MEETING

You are cordially invited to attend the 2022 Orange County USBC Annual Meeting, which will be held on Sunday, May 22, 2022, at 1:00 PM, at the offices of the Orange County USBC Association, 13896 Harbor Blvd. #5-A, Garden Grove, CA 92843

Business to be conducted at the Annual Meeting shall consist of:

1. Voting on a proposed \$3 per annum dues increase as more particularly set forth in the attachment accompanying this notice.
2. Election of directors to the OCUSBC board for a two-year term commencing on August 1, 2022 and ending July 31, 2024.

Section 5512(b) of the California Corporations Code governs this meeting. This section provides that, when a corporation bylaw authorizes a corporation to conduct a meeting with a quorum of less than one third (1/3) of its voting power, the only items that can be acted upon at said meeting are those which are matters that have been noticed (e.g. items 1 and 2 above) to the members. Therefore, no new business can be brought forth at this meeting.

Please RSVP your attendance to Association Manager Stacie Osborn via email to assnmgr@ocusbc.org or by phone to (714) 554-0111.

Thank you for your membership in Orange County USBC.

Sincerely

By Order of the Board of Directors

GARY C. FORMAN
President

USBC LOCAL ASSOCIATION BYLAWS

Article IV

Membership Dues

Current Bylaw

The annual adult standard membership dues are as follows:

Local	\$ 10
State	\$ 2 (Cannot exceed \$5.)
USBC adult standard membership	\$ 13.00
Total	\$ 25

Proposed Bylaw

The annual adult standard membership dues are as follows:

Local	\$ 13
State	\$ 2 (Cannot exceed \$5.)
USBC adult standard membership	\$ 15*
Total	\$ 30

* In 2016, delegates to the national convention approved a \$5 increase in national USBC dues such that national dues are capped at \$15. USBC agreed to take the first \$3 of that increase in the 2016-2017 season and the final \$2 of that increase in 2022-23. The dues for 2022-23 have therefore increased by \$2 to \$15.

Should the dues increase be passed by the membership and should California State USBC increase its dues in the future, Orange County USBC will over \$1 of any California State USBC dues increase (up to \$3 from the present \$2) from this increase.

Rationale:

Orange County USBC has not increased its dues since the 2017-2018 season. Costs have increased and we have kept dues constant. Even with the national increase, combined dues, if passed, will cost only \$2.50 per month. Your Board of Directors has voted to support this proposal from your Budget and Organization Committees and to recommend this proposal to the membership.

Should the dues increase be passed by the membership and should California State USBC increase its dues in the future, Orange County USBC will over \$1 of any California State USBC dues increase (up to \$3 from the present \$2) from this increase.
